

# *Wollaston Health & Wellbeing Group*

*(An initiative of St Mary's Church, Wollaston)*

Most of us interact daily with several people. Some are members of our family. Others are friends and neighbours. Often they are people we work with as we do our job or as we participate in community and group activities. The pleasures, the distastes and just plain curiosity associated with these contacts frequently lead us to ask 'what makes people tick?' Come and listen to Audrey Scott talk about this very complex subject.

Thursday 20th July 2017, 2.00 pm to 4.00 pm
