- **General Data Protection Regulation (GDPR)** - The law is changing regarding the holding of personal data. This applies to us as church, so we need to know who holds lists of people's contact information and other personal information for whatever reason. It may be that you run a rota for refreshments with phone numbers and email addresses or you hold a list of people who attend meetings, like Oddiebodies. Whatever the reason, if you hold a list and I haven't sent you a Data Protection Audit form, please let me know now.

THY KINGDOM COME

Join the global wave of prayer

10th - 20th May 2018

Thy Kingdom Come is a global prayer movement that invites Christians around the world to pray for more people to come to know Jesus. What started in 2016 as an invitation from the Archbishops of Canterbury and York to the Church of England has grown into an international and ecumenical call to prayer.

Resources will be given out early May to help us get involved in this Global initiative. For more details see:

www.thykingdomcome.global

Safeguarding - New safeguarding procedures are being rolled out by the diocese. These include safer recruiting of both paid staff and volunteers and also training for all members of the church and particularly for those who work with children or vulnerable adults. The following online training has recently been launched by the diocese, **C0 is for all the church**, whilst C1 is for those who work directly with children or vulnerable adults. C2 face to face training will soon be available for those who lead children's or vulnerable adults work.

To promote awareness of possible safeguarding concerns and to equip people in relevant roles to feel confident to share with the appropriate person.
